

**Use Your
Pathways Benefits!**

***Make your career
what you want it to be.
Get Your CCNA!***

We understand that you want the opportunity to own your career and make it what you want it to be – we hear you. To help you reach your goals we have partnered with New Horizons Computer Learning Centers to provide a customized CCNA (Cisco Certified Network Associate) certification opportunity to our members.

This widely respected Cisco Certification indicates a foundation in and apprentice knowledge of networking. CCNA certified professionals can install, configure, and operate LAN, WAN, and dial access services for small networks (100 nodes or fewer), including but not limited to use of these protocols: IP, IGRP, Serial, Frame Relay, IP RIP, VLANs, RIP, Ethernet, Access Lists.

Training Course Path

CompTIA Network+ Certification – if needed
Preparation for: Network+ Certification Exam

Interconnecting Cisco Network Devices - ICND1
Preparation for: Exam 640-822 ICND1 - Interconnecting Cisco Networking Devices Part 1

Interconnecting Cisco Network Devices - ICND2
Preparation for: Exam 640-816 ICND2 - Interconnecting Cisco Networking Devices Part 2

Customized Program to Fit Your Busy Schedule

Two Nights per Week from 6:30pm to 9:30pm

Convenient Training Locations

Network+ Certification Course will be held at the CWA Local 7777 Union Hall.
ICND1 & ICND2 CCNA Certification Courses will be held at the New Horizons DTC Location.

Learn What You Need to Know

A FREE CCNA Pre-Test to be given at the CWA Local 7777 Union Hall to determine if you should start with your Network+ Certification before working on your CCNA Certification.

***Take advantage of this opportunity to enhance your skills
and demonstrate your network knowledge!***
